Pure fire. Pure design.

ABOUT FUEGOLO

Minimal design. Maximum flame.

At FuegoLO, we believe that fire is more than a source of warmth. It is an expression of design, atmosphere and emotion.

Our passion is to create premium ethanol burners that bring the beauty of a real flame into contemporary spaces. Combining refined aesthetics, quality materials, precision engineering and attention to detail, we create fire solutions designed to become a natural part of modern architecture and interior design.

FuegoLO burners are developed for those who appreciate clean design, authentic flame and freedom of installation — from elegant residential interiors to sophisticated hospitality and architectural projects.

We are committed to continuously improving our products, focusing on quality, reliability, functionality and timeless design.

Because for us, fire is not simply a product. It is an experience.
